Description

Le macaron est gourmand et délicat. Il s'offre en bouche, plainement savoureux, à qui sait l'attraper du bout des doigts. La réalisation des macarons n'est pas difficile mais demande de la précision, de la patience, de l'attention. Leur préparation est un art abordable, et vous trouverez dans cet ouvrage une série d'astuces pour s'initier à une technique qu'on acquiert aisément si on prend la peine.
